**In re Robert S White,  
Debtor.**

**Case Number 13-30314 GMH  
Chapter 13**

---

**INTERIM APPLICATION FOR COMPENSATION AND REIMBURSEMENT  
OF ATTORNEY FEES AND COSTS**

---

Andrew T. Sapinski ("Attorney"), an attorney representing the above captioned Debtor, makes this Application For approval of fees and costs pursuant to Bankruptcy Rule 2016 and Bankruptcy Code Section 331. This application is made to receive fees in due course from the bankruptcy estate administered by the Chapter 13 Trustee. In support of this Application, Attorney respectfully represents:

- (1) Prior to filing this case, Debtor paid Attorney \$500.00 and it was agreed Attorney would be paid an additional \$3500.00 through the plan.
- (2) When Debtor hired Attorney, it was also agreed Attorney could bill in increments of 1/10<sup>th</sup> of an hour and at a rate of \$230/hour for time spent by Attorney on Debtor's bankruptcy case and apply to the Court for additional fees if the value of Attorney's services ever exceeded \$4000.00. It was agreed non-attorney time could be billed at the rate of \$150/hour. When Debtor hired attorney, it was also agreed Attorney could apply to the Court for reimbursement of copy and postage expenses incurred by Attorney.
- (3) Attorney has maintained contemporaneous records of time spent in this case. The time was recorded in tenth of an hour increments. Those records are attached hereto.
- (4) As the attached time records indicate, Attorney has spent at least 54.3 hours on Debtor's case. 42.5 hours were attorney hours and 11.8 hours were spent by non-attorney staff. In addition to handling all routine matters in this case, Attorney assisted Debtor with an Amended Schedule B and C and a Chapter 13 plan modification. When the plan modification was filed, Attorney had to deliver notice to all Debtor's creditors and this cost Attorney \$37.80 in postage and copy costs. The Chapter 13 Trustee filed an objection to confirmation and Attorney helped Debtor resolve that objection. Attorney also had to appear at a Preliminary Hearing on Confirmation that was scheduled by the Court. Attorney also helped Debtor achieve a successful mortgage loan modification through the U.S. Bankruptcy Court's Mortgage Modification Mediation program.
- (5) Considering Attorney's firm has spent 42.5 attorney hours and 11.8 non-attorney hours on this case and considering Attorney is allowed to bill at a rate of \$230/hour for attorney time and \$150/hour for non-attorney time and considering the \$37.80 in postage and copy costs, the value of his firm's services is, therefore, \$11,582.80. These services were necessary and beneficial toward the completion of the case and were performed in a reasonable and customary manner.

- (6) Attorney has already been approved to receive \$4,000.00 in connection with this case. \$500.00 came directly from the Debtor before this case as filed and \$3,500.00 has been approved to be paid through the Chapter 13 plan. This \$4,000.00 is inadequate to cover services rendered or to be rendered and Attorney asks that his law firm, Sapinski Law Office S.C., be approved to receive another \$7,582.80 through Debtor's Chapter 13 plan.
- (7) Debtor is to be the source of all compensation and Attorney has not shared any fees with any other party, and has no agreement to do so in the future.
- (8) Attorney believes the interim compensation awarded pursuant to this application will not create an undue hardship on any party, since payments can be made in the usual course of the Chapter 13 plan. Ultimately, the funding of the plan should be sufficient as Debtor makes payments through her wages, including a portion of Debtor's tax refunds. If, toward the end of the case, claims are in excess of Debtor's ability to fund, Debtor may seek modification under Local Rule 3015.

WHEREFORE, Attorney respectfully requests that the court enter an order approving this application for \$11,582.80. \$4,000.00 has already been approved to be paid to Attorney and, as a result, Attorney requests approval for an additional \$7,582.80 to be paid through the Chapter 13 plan as an administrative expense.
